Section 3. Union County Zoning Code. The provisions of Union County's zoning code and any amendments thereto shall at all times be paramount to the restrictions set forth in this Declaration and in the event of a conflict, the former shall be controlling over the latter.

**ARTICLE III  
MEMBERSHIP AND VOTING RIGHTS**

Section 1. Every owner of a Lot which is subject to assessment shall be a Member of the Homeowners Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment. Every Owner of a Lot shall notify the Homeowners Association of the owner's acquisition of title to a Lot within fifteen (15) days after title is acquired.

Section 2. The voting rights of the membership shall be appurtenant to the ownership of the Lots. There shall be two classes of Lots with respect to voting rights and assessments:

- (a) Class A Lots. Class A Lots shall be all Lots except Class B Lots as the same are hereinafter defined. Each Class A Lot shall entitle the Owner(s) of said Lot to one vote. When more than one person owns an interest (other than a leasehold or a security interest) in any Lot, all such persons shall be Members and the voting rights appurtenant to said Lot shall be exercised as they, among themselves, determine, but in no event shall more than one vote be cast with respect to any one Class A Lot.
- (b) Class B Lots. Class B Lots shall be all Lots owned by Declarant which have not been converted to Class A Lots as provided in (1) or (2) below.   - (2) April 15, 2005.

Section 3. Notwithstanding the provisions of Section 1 and Section 2 above, the total votes cast by any nonresident Owners, other than the Declarant, shall not exceed forty-nine percent (49%) of all votes cast on any matter for action by the Owners or the Homeowners Association.

**ARTICLE IV  
PROPERTY RIGHTS**

**Section 1. Owner's Easement of Enjoyment.** Every Owner shall have a right and easement of enjoyment in and to the Common Area, which shall be appurtenant to and pass with the title to every Lot, subject to the following provisions:

- (a) The right of the Homeowners Association to charge reasonable admission and other fees for the use of any recreation facilities situated upon the Common Area and to limit the use of said facilities to Owners who occupy a residence on the Properties as their principal residence in Union County, North Carolina, and to their families, tenants, contract purchasers and guests, as provided in Section 2 of this Article IV.
- (b) The right of the Homeowners Association to suspend the voting rights and rights to the use of the recreational facilities of any Owner for any period during which any assessment against his Lot remains unpaid; and for a period not to exceed sixty (60) days for any infraction of its published rules and regulations.
- (c) The right of the Homeowners Association to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the Members; provided, however, that such dedications or transfer shall comply with the conditions and requirements of the Union County Zoning Ordinance. No such dedication or transfer shall be effective unless the Members entitled to at least two-thirds (2/3) of the votes appurtenant to Class A Lots and at least two-thirds (2/3) of the votes appurtenant to Class B Lots consent to such dedication or transfer and signify their consent and agreement in a signed and recorded written instrument. This subsection shall not preclude the Board of Directors of the Homeowners Association from granting easements to public authorities or others for the installation and maintenance of sewerage, utilities and drainage facilities upon, over, under and across the Common Area without the assent of the membership when, in the sole opinion of such Board, such easements do not interfere with the use and enjoyment of the Properties or are necessary for the convenient use and enjoyment of the Properties.
- (d) The right of the Homeowners Association, with the written assent of the Members entitled to at least two-thirds (2/3) of the votes appurtenant to Class A Lots and at least two-thirds (2/3) of the votes appurtenant to Class B Lots to mortgage, pledge, deed in trust, or hypothecate any or all of its real or personal property as security for money borrowed or debts incurred.

**Section 2. Delegation of Use.**

- (a) **Family.** The right and easement of enjoyment granted to every Owner in Section 1 of this Article IV may be exercised by members of the Owners' family who occupy the residence of the Owner within the Properties as their principal residence in Union County, North Carolina.
- (b) **Tenants or Contract Purchasers.** The right and easement of enjoyment granted to every Owner in Section 1 of this Article may be delegated by the Owner to his tenants or contract purchasers who occupy a residence within the Properties, or a portion of said residence, as their principal residence in Union County, North Carolina; provided that no such delegation shall relieve the Owner of his responsibility and obligations under this Declaration and the Owner shall remain fully responsible for the acts or omissions of any tenant or contract purchaser.
- (c) **Guests.** Recreational facilities situated upon the Properties may be utilized by guests of Owners, tenants, or contract purchasers subject to the rules and regulations of the Homeowners Association, as may be established by its Board of Directors governing said use. Owners, tenants and contract purchasers shall be responsible for the conduct, acts and omissions of their guests.

Section 3. Ownership of Common Areas. Declarant shall convey the Common Areas to the Homeowner's Association free and clear of all liens and encumbrances. Notwithstanding the recordation of any map or any other action by Declarant or the Homeowner's Association, all Common areas, including cul-de-sacs and roads, if any, shall remain private property and shall not be considered as dedicated to the use and enjoyment of the public; provided, however, that the Declarant or the Homeowner's Association may offer such cul-de-sacs and roads for dedication to the appropriate governmental authorities. If accepted for dedication by such government authorities, then the cul-de-sacs or roads shall then be considered dedicated to the use and enjoyment of the public.

Section 4. Owners' Easements for Ingress and Egress. To the extent that cul-de-sacs and roads have not been dedicated to the use and enjoyment of the public sufficient to provide access to a Lot, every Lot shall be conveyed with and each Owner is hereby granted a perpetual, nonexclusive easement over any cul-de-sac or roadway which may be constructed by the Declarant and conveyed to the Homeowner's Association as part of the Common Area for the purpose of providing access to and from each Lot. Upon dedication and acceptance of such cul-de-sacs and roadways, these easement rights shall terminate with respect thereto.

## ARTICLE V COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each lot owned within the Properties, hereby covenants and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Homeowners Association: (1) annual assessments and (2) special assessments, such assessments to be established and collected as hereinafter provided. Any such assessment, together with interest, costs and reasonable attorney's fees shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Homeowners Association shall be used to promote the recreation, health, safety and welfare of the residents of the Properties in connection with the use and enjoyment of the Common Area, including, but not limited to, the cost of maintenance, repair, replacement or additions thereto, the cost of labor, equipment, materials, management and supervision thereof, the payment of taxes assessed against the Common Area, the procurement and maintenance of insurance in accordance with the Bylaws of the Homeowners Association, the employment of attorneys to represent the Homeowners Association, when necessary, and such other needs as may arise.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot by Declarant to an Owner, the maximum annual assessment shall be Two Hundred Dollars (\$200.00) per Class A Lot and Fifty Dollars (\$50.00) per Class B Lot.

- (a) From and after January 1 of the year immediately following the conveyance of the first Lot by Declarant to an Owner, the maximum annual assessment above established may be increased by the Board of Directors of the Homeowners Association, effective January 1 of each year, without a vote of membership by an amount not to exceed five percent (5%) of the maximum annual assessment of the previous year.
- (b) From and after January 1 of the year immediately following the conveyance of the first Lot by Declarant to an Owner, said maximum annual assessment may be increased without limitation, if such increase is approved by two-thirds (2/3) of the votes of all Members present in person or by proxy at a meeting duly called for this purpose.

Section 4. Special Assessments. In addition to the annual assessments authorized above, the Homeowners Association may levy in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, any operating cost deficit or other expense for which annual assessments receipts are insufficient or the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the same assent of the Members as provided in Section 3(b) of this Article.

Section 5. Assessment Rate. Both annual and special assessments must be fixed at a uniform rate for all Lots within each class and shall be collected on an annual basis.

Section 6. Notice and Quorum for Any Action Authorized Under Section 3 and 4. Written notice of any meeting of the Homeowners Association called for the purpose of taking any action authorized under Section 3 or 4 above shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of the votes appurtenant to each Class of Lots (Class A and Class B) shall constitute a quorum. If the required quorum is not present, another meeting may be called for the same purpose and subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting date.

Section 7. Date of Commencement of Annual Assessments; Due Dates; Certificate of Payment. The annual assessments provided for herein shall commence when a Lot is conveyed by Declarant to an Owner.

At least thirty (30) days before January 1 of each year, the Board of Directors of the Homeowners Association shall fix the amount of annual assessments against each Lot for the next year and at least fifteen (15) days before January 1 shall send written notice of such fixed assessment to every Owner subject thereto. Failure of the Board of Directors or the Homeowners Association to fix the amount of annual assessment or to notify any Owners shall not relieve any Owner of the obligation to pay assessment when due. The due dates for the payment of annual and special assessments shall be established by the Board of Directors. The Homeowners Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Homeowners Association setting forth whether the assessments on a specified Lot have been paid.

Section 8. Effect of Nonpayment of Assessments; Remedies of the Homeowners Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the annual rate of eighteen percent (18%) or the maximum interest rate permitted to be legally charged under the laws of the State of North Carolina at the time of such delinquency, whichever is the lesser. In addition to such interest charge, the delinquent Owner shall also pay such late charge as may have been theretofore established by the Board of Directors of the Homeowners Association to defray the costs of late payment. The Homeowners Association may bring an action at law against the Owner personally obligated to pay the same and/or foreclose the lien against the Lot by action or by power of sale to the extent permitted under North Carolina law, and interest, late payment fees, costs and reasonable attorney's fees of such action or foreclosure shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The liens provided for herein shall be subordinate to the lien of any mortgage or deed of trust on a Lot. Sale or transfer of any Lot shall not affect any assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust pursuant to a foreclosure thereof shall extinguish the lien of such assessments to the extent the assessments became due prior to such sale or transfer. No such sale or transfer shall relieve such Lot from liability for any assessment thereafter becoming due or from the lien thereof, but the liens provided for herein shall continue to be subordinate to the lien of any mortgage or deed of trust.

Section 10. Exempt Property. All property dedicated to, and accepted by, a local public authority and all properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

**ARTICLE VI  
ARCHITECTURAL CONTROL**

**Section 1. Extent of Control.** No building, fence, wall, sidewalk, hedge, obstruction, driveway or other structure shall be commenced, erected or maintained upon any Lot nor shall any exterior addition, change or alteration thereto (including change of color) be made without the prior written approval of the Declarant. The areas over which Declarant shall have control shall include, but shall not be limited to, the size and plan of the residential structure, the location of the principal residential structure on the Lot, the size and plan of any attached garage, the location and manner of construction of any driveway, swimming pool, patio, mailbox or other exterior improvements, and the composition and color of all material used on the exterior of any structure. Declarant shall also have control over the removal of any trees or other vegetation from any Lot and no party shall grade, excavate upon or otherwise alter the topography of any Lot or remove any tree greater than a 5" caliper or other vegetation therefrom without obtaining the prior written approval of Declarant. It is provided, however, that nothing herein contained shall be construed to permit interference with the development of the Property by Declarant in accordance with its general plan of development. In order to assure that location of houses will be staggered where practical and appropriate, the structures will be located with regard to the ecological constraints and topography of each individual Lot, taking into consideration topography, the location of large trees and similar considerations. The Declarant reserves the right to control absolutely and solely to decide the precise site and location of any house or dwelling or other structure upon all Lots, provided, however, that such locations shall be determined only after reasonable opportunity is afforded the Lot Owner to recommend a specific site.

**Section 2. Procedure.** Any party requiring approval of any proposed improvements to any Lot shall submit to Declarant plans and specifications showing in such detail and manner as Declarant shall require the nature, shape, height, materials and locations of any such improvement. Declarant, in its sole and absolute discretion, may require in particular instances that such plans and specifications be accompanied by a plat prepared by a registered land surveyor showing the location of the proposed improvements on the Lot. All decisions by Declarant shall be based on Declarant's discretionary determination as to whether any particular improvement is suitable and harmonious with the development of the subdivision. Declarant's approval or disapproval of any proposed improvement shall be in writing. In the event that Declarant fails to approve or disapprove any such proposed improvement within thirty (30) days after plans and specifications in such detail as Declarant may require have been submitted to it, such plans and specification shall be deemed approved. Subsequent to the approval of any plans and specifications, the Owner shall have the responsibility for making such improvements in accordance with the plans and specifications as approved. Approval by Declarant of any proposed improvements shall not constitute or be construed as approval of the structural stability, design or quality of any improvement or the compliance of any such improvement with applicable laws and codes. Refusal or approval of plans, specification or location may be based upon any grounds, including purely aesthetic considerations, which in the opinion of and the sole and uncontrolled discretion of Declarant shall be deemed sufficient.

**Section 3. Duration of Control.** The Declarant will surrender the right of architectural control provided for herein after all Lots have become Class A Lots, following which the Board of Directors of the Homeowners Association shall appoint an architectural review board (the "Architectural Review Board"). The Architectural Review Board, when so appointed, shall have the right of architectural control as described in this Article.

**ARTICLE VII

Declarant and its successors and assigns, hereby reserves and shall have temporary easements for itself, its agents and employees over the Common Area to facilitate construction of improvements to be completed in developing the Properties. The owner of each Lot shall maintain that portion of said Lot lying within the easement areas as defined herein and shall maintain such improvements as may be located thereon except those improvements installed and maintained by a public authority or utility company or the Homeowner's Association. No lot owner may dedicate, convey or permit an easement or right of way for ingress and egress to land located outside the subdivision boundaries as shown on the recorded plat.

ARTICLE IX  
GENERAL PROVISIONS

Section 1. Repurchase of Unimproved Lot by Declarant. In order to promote the timely development of the subdivision, it is the intention of Declarant that Owners begin construction of a house within a timely manner. Therefore, in the event an Owner has not begun construction of a house on its Lot within one (1) year after the date on which such Lot was originally sold by Declarant to the initial owner thereof, Declarant shall have the option at any time thereafter and so long as construction has not begun to purchase the Lot from Owner at the same price for which such unimproved Lot was originally sold by Declarant to the initial owner thereof ("Original Price"). The Original Price shall be the actual cash purchase price of such Lot and shall not include any additional expenses incurred by any party in connection with the purchase of such Lot. For purposes of this Section, construction shall be deemed not to have begun until Declarant has approved construction plans hereunder, a valid building permit has been issued, the foundation is in place, and framing has begun.

Section 2. Enforcement. The Homeowners Association or any Owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. In any such action, the court may award reasonable attorney's fees to the prevailing party. Failure by the Homeowners Association or any Owner to enforce any covenant or restriction herein contained shall in no way be deemed a waiver of the right to do so thereafter.

Section 3. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no wise affect any other provisions which shall remain in full force and effect.

Section 4. Effect of Restrictions and Amendment. The covenants and restrictions of this Declaration shall bind only the land specifically herein described and shall run with and bind that land. This Declaration may be amended prior to April 15, 2005, by an instrument signed by the Owners of not less than ninety percent (90%) of the Lots and by the Declarant, so long as Declarant still owns any Lots, and thereafter, by an instrument signed by the Owners of not less than seventy-five percent (75%) of the Lots. Any amendment must be properly recorded.
